

# Little Trees

Nature-based learning for sprouting young minds

*Little Trees* is Lithgow Public Library's new nature-based learning program for children in 2<sup>nd</sup> through 4<sup>th</sup> grade! Featuring a variety of crafts, games and hands-on activities, *Little Trees* is meant to connect children to the wonders of their natural environment while fostering a general curiosity for learning. Join us every 3<sup>rd</sup> Thursday of the month at 3 pm in the Youth Services Department.

*Stop by and learn about:*

- Trees and animals of Maine
- Food systems
- Soil and compost
- The wonders of water
- Land stewardship
